by deleting Section 1 in its entirety and replacing it with the following:

Section 1. Tennessee Code Annotated, Section 49-7-202(c), is amended by adding the following new subdivision:

(A) Review and approve or disapprove all proposals by any existing higher education institution to establish a physical presence at any location other than its main campus, or to expand an existing location, which will be utilized for administrative purposes or to offer courses for which academic credit is offered. The commission shall develop policies and procedures governing this process. The provisions of this subdivision shall apply to state technology centers.

(B) Within thirty (30) days following the submission of the budget by the governor to the general assembly, the commission shall prepare a report which analyzes the effect which off-site academic locations have on the distribution of formula funding to the main campuses. This report shall be provided to the governor, speakers of the senate and house of representatives, the chairs of the finance, ways and means, education, and fiscal review committees, the office of legislative budget analysis, and the commissioner of finance and administration.
